Pattern notes & stitches to know

Sl st - slip stich

Ch - chain

Sc - single crochet

Dc - double crochet

Approximate Finished Size:
Width: 10"
Length: 9.5"

Bobble - in the last step of the stitch before the bobble, pull through the secondary color, *yarn over, insert into stitch, pull up a loop, yarn over, pull through 2 loops* repeat 4 more times. You have 6 loops on hook. Pull your main color through all 6 loops on hook.

Written in US terms

Ch at beginning of each round does not count as stitch

Pattern

Start with main color, ch 61 (mult of 6 + 1 more ch) - the entire beanie is worked with the main color, except for the bobbles

Row 1: sc in 2nd ch from the hook and across (it should be approximately 19" long), join to first sc with sl st (60 sc)

Now you will work in joined rounds

Don't worry about the small gap at the bottom, we'll get back to that ;)

Round 2: ch 2, dc in each stitch around, join to first dc with sl st (60 dc)

In the next round you will start the bobble stitch

Round 3: ch 1, sc in first 2 stitches, bobble in next (you will need to push the bobble out to the right side), *sc in 5, bobble in next* repeat from * to * around, sc in last 3 stitches, join to first sc with sl st (10 bobbles, 50 sc)

To get a cleaner look, pull through the secondary color in the sc before the bobble stitch, refer to picture 2.

Be sure to carry the other color by crocheting over it so you can easily pick it back up when you need it.

I did not fasten off either colors throughout. Drop secondary color and pick it up again in round 5.

Round 4: ch 2, dc in each stitch around, join to first dc with sl st (60 dc)

Round 5: ch 1, *sc in 5 stitches, bobble in next* repeat from * to * around, join to first sc with sl st (10 bobbles, 50 sc)

Round 6: ch 2, dc in each stitch around, join to first dc with sl st (60 dc)

Repeat round 3 - 6 to round 20 (approximately 10.5" long)

Fasten off, leave a long end for sewing

Using the yarn needle, weave the long end in and out of the top loops of the last round. Pull the end to cinch the top closed. Sew it closed. Fasten off, weave in your ends.

Remember that small gap from joining row 1? Use the beginning end to sew that small space closed.

Weave in all your ends.
