Fasten off, weave in your ends.

Cut a piece of yarn about 3 feet long. On the front of the hat, use your yarn needle to thread one end through the top of round 10 (the first round with the texture). Going down around the bottom of the hat, bring the yarn back up to the same stitch you started in, thread the yarn through the same stitch. Pull it tight to cinch it up. Continue wrapping the yarn in this same stitch until you have a thick band. Fasten off, weave in the ends.
