Hooked on Homemade Happiness

Hooked on Homemade Happiness

The **Gilded Beanie Crochet Pattern** has a beautiful and textured design. It's worked a little different than a typical beanie. It started as a rectangle with the ends sewn together to form a beanie. The rows are lined up vertically to create the ribbed texture between the puff stitches.

Row 2 (WS): ch 1, turn, sc in first stitch, puff stitch in the 3rd loop of next stitch, *sc in 3rd loop in next, puff stitch in 3rd loop in next* repeat from * to * across to last stitch, sc in both top loops in last stitch (35)

Repeat rows 2 & 3 to **Row 53** (approximately 19", this is the circumference of your hat)

Fasten off. Leave a long end for sewing.

Bring both ends together, wrong side facing out, (matching the last row to the first row), use the long end to sew them together using a whip stitch to form a tube.

Do not fasten off.

Use your yarn needle to weave the long end in and out of the top of the tube. Pull tight to cinch it closed. Sew the top closed.

Fasten off, weave in the ends.

Turn right side out.
