## Materials

115g Worsted weight yarn + small amount for the border (the same color that will be used for sewing - optional)

H/5.0 mm hook

Yarn needle

Scissors

## Level

Easy

## Pattern notes & stitches to know

ch – chain

dc - double crochet

fpdc - front post double crochet

rs - right side

ws - wrong side

- written in US terms
- ch 2 does not count as dc
- this square has a right side and a wrong side
- starting ch needs to be a multiple of 3 + 2
- This square has slightly tighter tension. I ended up adding one extra round for the border or you can go up a hook size if needed.
- Approx finished size: 12" x 12"

## Scrapghan Tips

- If you're having trouble getting the sizing right, remember that it's easier to adjust a square that's too small than one that's too big.
- If a square comes out too small you can add an additional round for the border, go up a hook size, and/or steam block and stretch the square to the size you want.
- The edges might curl. This can be fixed with some steam blocking. It won't be noticeable after sewing.
- Each square has at least 2 rounds of border. For the last round of the border I used the same color for each square (the dark gray). This is the same color used for the sewing.
- The squares will be released in sewing order, starting with the bottom left. I left a long end for sewing on each of the squares. The long end is approximately twice the length of one side.
