SEWING

On the vest, fold sections A and C towards the center to section B. Use the long ends to sew the shoulders closed with a whip stitch. Fasten off. Weave in the ends.

Keep wrong side out. Line up the pockets along the front bottom corner. Use stitch markers to keep it in place.

Use the long ends to sew the pockets to the corner with a whip stitch.

For the hood, fold it in half so the rows run vertically. Sew the back closed (row 1) with a whip stitch

Line the hood up along the collar of the vest. Use stitch markers to keep it in place. Bunch it up slightly. Do not line it up row per row. This will be too tight. Line up the center back of the hood with the top of the collar and then I have the bottom of the hood lined up with the middle of the armhole.

Sew the hood to the vest with a whip stitch.

Fasten off. Weave in the ends.

Turn right side out.
