Fasten off, leave a long end for sewing

## CONSTRUCTION

Lay your front panels on top of the back. Sew the shoulders closed using your long end, yarn needle, and whip stitch. I used stitch markers to keep my stitches lined up.

Fasten off, weave in the ends.

Sew the sides closed using your long end, yarn needle, and whip stitch. Sew to about row 12. Leave a space at the top for arm-holes.

Fasten off, weave in all the ends.

## SLEEVES

Join yarn to the bottom of the armhole

Because everyone's will be slightly different, I did not add stitch numbers to these rounds. To dc evenly around Work roughly 2 dc in the side of each row around.

**Row 1:** ch 2, dc evenly around the armhole, join to first dc with sl st

**Row 2:** ch 2, dc in each stitch around, join to first dc with sl st

Repeat row 2 to row 8 (11) [14] {17}

**Row 9 (12) [15] {18}:** ch 2, dc2tog around (if there is an extra stitch, add another dc), join to the first dc with sl st

*NOTE: test this width around your arm. If it's too tight, you can instead: ch 2, \*dc in first stitch, dc2tog\* repeat from \* to \* around*

**Row 10 (13) [16] {19}:** ch 2, dc in each stitch around

**Row 11 (14) [17] {20}:** ch 2, \*fpdc, bpdcc\* repeat from \* to \* around, join to first dc with sl st

Repeat previous row 3 more times.

Fasten off, weave in all your ends.

Repeat for other sleeve.
