

## TUNISIAN FULL STITCH

## Materials

approx. 75g worsted weight yarn + small amount for the border (the same color that will be used for sewing - optional)

J/6.0 mm Tunisian crochet hook

H/5.0 mm hook

yarn needle

scissors

## Level

easy

## Curling Level

high

## Pattern notes & stitches to know

ch - chain

TFS - Tunisian full stitch (insert hook between the stitches, yarn over, pull up a loop)

sc - single crochet

sl st - slip stitch

- written in US terms
- There is no multiple requirement for this stitch.
- The side facing you is the right side of the stitch. Do not turn.
- Each row is made up of a forward pass and a return pass

## Pattern notes cont.

- Return Pass: ch 1, \*yarn over, pull through 2 loops on hook\* repeat from \* to \* across until 1 loop remains on hook
- Bind Off: insert hook into 2nd vertical bar from hook, yarn over and pull up a loop. Pull loop through the loop on the hook. \*Insert hook into next vertical bar, yarn over and pull up a loop. Pull loop through the loop on the hook\* repeat from \* to \* across

Approximate Finished Size (after border & blocking): 11" x 11"

## Scrapghan Tips

- If you're having trouble getting the sizing right, remember that it's easier to adjust a square that's too small than one that's too big.
- If a square comes out too small you can add an additional round for the border, go up a hook size, and/or steam block and stretch the square to the size you want.
- The edges might curl. This can be fixed with some steam blocking. It won't be noticeable after sewing.
- Each square has at least 2 rounds of border. For the last round of the border I used the same color for each square (the dark brown). This is the same color used for the sewing.
- Each square does not need the same number of stitches for the border.
