- Return Pass: ch 1, *yarn over, pull through 2 loops on hook* repeat from * to * across until 1 loop remains on hook
- Bind Off: insert hook into 2nd vertical bar from hook, yarn over and pull up a loop. Pull loop through the loop on the hook. *Insert hook into next vertical bar, yarn over and pull up a loop. Pull loop through the loop on the hook* repeat from * to * across

Approximate Finished Size (after border & blocking): 11" x 11"

Scrapghan Tips

- If you're having trouble getting the sizing right, remember that it's easier to adjust a square that's too small than one that's too big.
- If a square comes out too small you can add an additional round for the border, go up a hook size, and/or steam block and stretch the square to the size you want.
- The edges might curl. This can be fixed with some steam blocking. It won't be noticeable after sewing.
- Each square has at least 2 rounds of border. For the last round of the border I used the same color for each square (the dark brown). This is the same color used for the sewing.
- Each square does not need the same number of stitches for the border.
