# 2026 STITCH SAMPLER SCRAPGHAN PART 2 - LEMON PEEL STITCH

## Materials

worsted weight acrylic yarn (I used Hobby Lobby I Love This Yarn)  
J/6.0 mm hook  
yarn needle  
scissors

## Level

easy

## Pattern notes & stitches to know

ch - chain

sc - single crochet

dc - double crochet

rs - right side

ws - wrong side

- written in US terms
- ch 1 does not count as sc
- This stitch requires an odd number of chains
- This stitch looks great in solid or stripes. Change colors every 2 rows and carry yarn for less ends to weave in. Alternate colors every row to make the Houndstooth stitch (as shown)

**See how it's done! This easy-to-follow video tutorial will walk you through each step of the pattern.**

## Scrapghan Tips

- This blanket will use different hook sizes depending on the stitch. Some stitches work up tighter than others. Even with changing hook sizes, the blanket will not have completely straight edges.
- Feel free to adjust your hook size according to how you crochet.
- This blanket requires a foundation row that is a multiple of  $24 + 2$ .
- The starting chain requirement for this particular stitch is given in the pattern notes (this may or may not match what was used for the entire blanket). This is just a note given for use of this stitch in other projects, not for this blanket.
- Each part starts over at row 1 of that stitch. Be sure to place a stitch marker and the last stitch of each part to mark where the next part begins,

## ***PART 2 - THE LEMON PEEL STITCH***

**Row 1 (ws) - Row 5 (ws):** ch 1, turn, sc in first stitch, dc in next, \*sc in next stitch, dc in next\* repeat from \* to \* across (146)

Do not fasten off.

*To make this section longer, continue repeating row 1, ending with an odd row number (ws).*

Place a stitch marker in last stitch of this section.
