rs - right side

ws - wrong side

- written in US terms
- ch 1 does not count as sc
- ch 2 does not count as dc
- This stitch requires a starting chain of 8 + 2
- This is a tighter stitch. Even with a J hook, watch the tension and keep it loose.
- Change colors every 2 rows.

See how it's done! This easy-to-follow video tutorial will walk you through each step of the pattern.

Scrapghan Tips

- This blanket will use different hook sizes depending on the stitch. Some stitches work up tighter than others. Even with changing hook sizes, the blanket will not have completely straight edges.
- Feel free to adjust your hook size according to how you crochet.
- This blanket requires a foundation row that is a multiple of $24 + 2$.
- The starting chain requirement for this particular stitch is given in the pattern notes (this may or may not match what was used for the entire blanket). This is just a note given for use of this stitch in other projects, not for this blanket.
- Each part starts over at row 1 of that stitch. Be sure to place a stitch marker and the last stitch of each part to mark where the next part begins.
